We are filled with gratitude. All thanks to Professor Dr. Mahendra S. Khairnar sir for giving us this wonderful opportunity to hear the precious words of **Hon'ble Justice Mr. Abhay S. Oka Judge Supreme Court India, New Delhi**. We got to learn so much on this day. Hon'ble Supreme Court Judge Abhay S. Oka sir talked about his own experiences , advocacy skills and much more.

He spoke about the skill set one must acquire to become a lawyer and the way an ideal lawyer must work.

He also gave us insights into the working mechanism of Chhatrapati Shahu Maharaj as an Idol for the future generations as to judicial process and also about Chhatrapati Shivaji Maharaj stating the kind of work ethics he had and the the way he delivered justice in timely , regulated and just manner.

There are 3 H's required for one to be a successful lawyer :-

Hardworking

Honest

Humble

We'll try to inculcate these qualities and will implement on his teachings.

Our experience at the Moot court

We left at 6 am and reached the venue at 9:30 am. We hired a car for travelling purpose. On reaching the venue we first registered for the competition and completed all the necessary formalities. The staff was very welcoming and hospitable. The student coordinators were also very kind, generous and helpful.

They indeed guided us and helped us throughout. We had our lunch at the college itself. The teams were classified and given numbers accordingly and were then called out one after another for presenting themselves.

After a long wait at around 5pm our team was called upon as we were the last one. We were a little anxious at the start as it was our first ever experience of a moot court competition. Also our team was the only one consisting of first year students whereas the rest of the teams consisted members of third year onwards

There were 2 judges in front of us as we entered the room. The judges scrutinized every sentence that we spoke and cross questioned us in every possible way. The time limit was also exceeded more than the set 10 minutes. Then the judges after their complete satisfaction asked us to say the prayer. Our team came out thinking we had a unique experience not anticipating any outcome as to getting any award

The result was then declared. Our team won the award for best appellant advocate. It was an unexpected thing. We were filled joy. And extremely grateful to the jury for recognizing and appreciating the effort.

We thank you sir from bottom of our heart for holding our hand and guiding us throughout this incredible journey. It would truly not be possible without you. A special thanks to you sir for spending your precious time and boosting us.

Also we would like to thank our Respected Principal Mane sir for eagerly sending us to such competitions and for all your Supportiveness. We hope to keep participating in such moot court competitions and develop ourselves and to work harder so as to become pride of our college.

Experience:

The competition was in Marathi, it is necessary to type the memorial in Marathi to prepare arguments in Marathi. It was quite challenging and difficult task to

translate the caselaws, provisions and facts of the case in Marathi. But we managed it by taking the help of Google translator.

We learnt many things about court etiquettes and professional ethics. Things we learnt from Hon'ble judge was so important about how to present a case before court, how to study case and provision related to case.

We come to know that the Research is the very important skill while writing memorial, case law study, reading articles, collecting information of related case laws.
