CRITERION I: CURRICULAR ASPECTS:

1.1 Curricular Planning and Implementation

1.1.1 State the vision, mission and objectives of the institution, and describe how these are communicated to the students, teachers, staff and other stakeholders.

Vision Missions and Objectives of the institution is displayed at the college premise. They are also published on the website of college so as to communicate it with stakeholders of this institute.

1.1.2 How does the institution develop and deploy action plans for effective implementation of the curriculum? Give details of the process and substantiate through specific example(s).

At the commencement of academic year 2016-17, Term-start Meeting of all teaching staff was convened and subjects are allotted among them.

All they are instructed to prepare tentative teaching plan as well as tentative academic calendar for deploying and initiating action plan for effective implementation of curriculum.

Vidhi Pushpa – Law Lecture Series inauguration have made by Dr. R. Narayanan, Principal of Shahaji Law college, Kolhapur and working as coordinator for Law at Shivaji University.

Mock trial is also planned for giving practical experience of application of Alw of Evidence, CrPC etc.

1.1.3. What type of support (procedural practical) do the teachers receive (from the University/or institution) for effectively translating the curriculum and improving teaching practices?

Computers with Internet Connections are freely made available to the teachers for effectively translating the curriculum and improving teaching practices. Faculty Development Programme was conducted for teachers to train them in using ICT for effective teaching-learning. Some faculty members e.g. Mahendra Khairnar, Asst. Prof. registered at MOOCs at Course-era and also at Inflibnet.

This will help to improve teaching practice. Also Mr, Khairnar has attended Orientation Programme at human Resources Development Center at Savitribai Phule Pune University, Pune, wherein he come to know about different teaching methodologies and modules which certainly help in improving teaching practices.

1.1.4 Specify the initiatives taken up or contribution made by the institution for effective curriculum delivery and transaction on the
Curriculum provided by the affiliating University or other statutory agency.

The college has taken initiative in organising faculty development programme for all teaching faculty. Dr Veena Patil, Principal, Shankarrao Chavan Law college, Nanded has been invited to deliver a talk on Participative Knowledge as well as she guided us on ‘Role of IQAC in NAAC visit’.

Dr. Uttam Patil, Asst. Prof. Working at Sanjay Ghodawat of institute, Atigre was also invited to guide the teaching faculty on different ICT tools which can be used for effective teaching-learning.

Center for Skill and Entrepreneurship Development has been there at Shivaji University, Kolhapur under the banner of this centre we have established the centre in our college. Mr. Mahendra Khairnar has been appointed as Coordinator of this cell for the college. Advocacy Skill Development activities has been arranged under the centre.

1.1.5 How does the institution network and interact with beneficiaries such as industry, research bodies and the university in effective operation of the curriculum?

College is well associated with the university, Bar Association and Court. This helps in placing our students with law practitioners. College has established Placement Assistance Cell under which we provide guidance to aspirants. At college we display notices regarding appointment of court clerks and interns. We introduced our students about different websites such as lawoctopus, legal pandit etc.

1.2 Academic Flexibility

1.2.1 Specifying the goals and objectives give details of the certificate/diploma/ skill development courses etc., offered by the institution.

College is affiliated to Shivaji University and hence adopted syllabus prescribed by the university, having no academic flexibility in this regard. However we have started Diploma in Cyber Law – certificate course in association with Asian School of Cyber Law, Pune.

As well as we introduced Three Months and six months English Communication courses under Adult and Continuing Education dept. of SUK.

1.2.2 Does the institution offer programmes that facilitate twinning /dual degree? If ‘yes’, give details.

Yes, College offers dual degree course as permitted by the Shivaji University. Students are availing the benefit of this facility.
1.2.4 Does the institution offer self-financed programmes? If ‘yes’, list them and indicate how they differ from other programmes, with reference to admission, curriculum, fee structure, teacher qualification, salary etc.

Yes, institution offers Five years law course, it is the course carried on non-grant basis. It is the self-finance course adopted by the institute. However fees structure, admission procedure, syllabus, etc are same as of three years course.

1.2.5 Does the college provide additional skill oriented programmes, relevant to regional and global employment markets? If ‘yes’ provide details of such programme and the beneficiaries.

College do offer Skill based Education in association with Youth Welfare Dept. of State of Maharashtra, however till date no directions/instructions were received from the concerned department moreover we have computer lab sponsored by the department.

1.3 Curriculum Enrichment

1.3.1 Describe the efforts made by the institution to supplement the University’s Curriculum to ensure that the academic programmes and Institution’s goals and objectives are integrated?

College has taken special efforts in arranging lectures for English Communication. Students of this institute are from rural strata hence lacks in English fluency. The college taken effort to supplement the university’s curriculum this will boost confidence among the students about English language writing and speaking.

1.3.2 What are the efforts made by the institution to enrich and organize the curriculum to enhance the experiences of the students so as to cope with the needs of the dynamic employment market?

Syllabus framed and prescribed by the university is as per the norms of BCI. This also includes Internship and practical training papers. Practical training paper helps in enhancing the experiences of the students so as to cope with the needs of the dynamic employment market.

1.4.2 Is there a formal mechanism to obtain feedback from students and stakeholders on Curriculum? If ‘yes’, how is it communicated to the University and made use internally for curriculum enrichment and introducing changes/new programmes?

College do collect feedback from students and alumni. On the basis of feedback of students we conveyed to Board of Study and other university authority to give some convenient solutions for student under 50:50, 80:20 pattern. The same is considered by the university.
2.1 Student Enrollment and Profile

2.1.1. How does the college ensure publicity and transparency in the admission process?

This year state of Maharashtra introduced CET for Law Admission. The college joined with this move and registered at CET platform provided by the State.

College is having its own website, through this college publishes its events and activities. This gives publicity to college. College has prospectus for the information of students and stakeholders.

For this academic year 2016-17 online admission is given as per CAP round based on reservation policies of the State.

2.1.2 Explain in detail the criteria adopted and process of admission (Ex. (i) merit (ii) common admission test conducted by state agencies national agencies (iii) combination of merit entrance test or merit, entrance test interview (iv) any other) to various programmes of the Institution.

Common Entrance Test is there for this year. Students secured minimum marks as per BCI norms is eligible to seek admission.

2.1.3 Give the minimum and maximum percentage of marks for admission at entry level for each of the programmes offered by the college and provide a comparison with other colleges of affiliating university within the city/district.

Admission process is started just now (16 Sept.) so till date no confirmation is received regarding minimum and maximum percentage of marks for admission at entry level for each of the programmes.

2.1.5 Reflecting on the strategies adopted to increase/improve access for following categories of students, enumerate on how the admission policy of the institution and its student profiles demonstrate/reflect the National commitment to diversity and inclusion

Reservations to caste categories is as per the rules of university and the State. Scholarships and freeships are also provided to the eligible candidate.

2.1.6. Provide the following details for various programmes offered by the institution during the last four years and comment on the trends, i.e. reasons for increase/decrease actions initiated for improvement.

CAP round is going on therefore no confirmed data is available till date.
2.2 Catering to Student Diversity

2.2.3 What are the strategies adopted by the institution to bridge the knowledge gap of the enrolled students (Bridge/Remedial/ Add-on/Enrichment Courses, etc.) to enable them to cope with the programme of their choice?

College has made provision of English Communication course to enable the students to cope with the programme.

2.2.4 How does the college sensitize its staff students on issues such as gender, inclusion, environment etc.?

In this college, there are different legal aid cells have been established. Students and staff are working as members of these cells. Vijaya Women Empowerment Cell, Shripatrao (Tatya) Kadam Cell for Senior Citizen, Permanent Legal aid and Awareness center all these are working to sensitize the staff and society on different issues such women empowerment, gender justice, etc.

2.2.5 How does the institution identify and respond to special educational/learning needs of advanced learners?

Students are in contact with their class mentor and gives feedback to them regarding syllabus, teaching, etc. Mentor identifies the needs of such advanced learners and responds to them. For such advanced learners college has made available online database Manupatra, Modules at E pathshala-Inlibnet, etc.

2.2.6 How does the institute collect, analyze use the data information on the academic performance (through the programme duration) of the students at risk of drop out (students from the disadvantaged sections of society, physically challenged, slow learners, economically weaker sections etc. who may discontinue their studies if some sort of support is not provided)?

Class mentors do have personal dialogue with the students and especially with the students who are at risk of drop out. we at college organise Intensive study programme for such students also offers them notes on subject, important questions and their model answers. All these helps the student to overcome the risk of drop out.

2.3 Teaching –Learning Process

2.3.1 How does the college plan and organize the teaching, learning and evaluation schedules? (Academic calendar, teaching plan, evaluation, blue print, etc.)
College has provision for preparing academic calendar and teaching plan, wherein we plans and organizes the teaching, learning and evaluation schedules. We have provision for Internal exam, preliminary exams, Unit tests etc.

2.3.3 How is learning made more student-centric? Give details on the support structures systems available for teachers to develop skills like interactive learning, collaborative learning independent learning among the students?

Teacher has free hand in adopting different teaching methodologies as per the needs and demand of student. The only object of teaching is to make student well about the concept of law.

This college is situated in rural area hence students are from rural background, they are not well acquainted with English therefore teacher has to deliver lecture in Marathi as well in English. Here we adopt bilingual teaching for better understanding and making learning more students centric.

2.3.4 How does the institution nurture critical thinking, creativity scientific temper among the students to transform them into life-long learners’ innovators?

At the commencement of academic year students are informed that they have to comply with university rules. One of the requirements is to complete the internal term work, internship work. In this activity we inculcate critical thinking creativity scientific temper among the students to transform them into life-long learners’ innovators. College has NSS, Mock trial- moot Court club this helps to make student more innovators.

2.3.5 What are the technologies and facilities available and used by the faculty for effective teaching? e.g.: Virtual laboratories, e-learning - resources from National Programme on Technology Enhanced Learning (NPTEL) and National Mission on Education through Information and Communication Technology (NME-ICT), open educational resources, mobile education, etc.

For effective teaching we do adopt blended teaching. This year we learn about the infilinet, MOOCs, Ebooks all these helped in improving teaching-learning. Teachers have registered at NPTEL, Course era, E pathshala. We are using mobile for e-learning.

2.3.7 Detail (process and the number of students benefitted) on the academic, personal and psycho-social support and guidance services (professional counseling/mentoring/academic advise) provided to students.

Class mentor – mentee system is adopted to provide personal support and guidance services.
We have internship programme, moot court and mock trial training to provide skill based and professional counselling to student.

2.3.8 Provide details of innovative teaching approaches/methods adopted by the faculty during the last four years? What are the efforts made by the institution to encourage the faculty to adopt new and innovative approaches and the impact of such innovative practices on student learning?

Movie club is the innovative teaching method; some teachers are adopting flip method of teaching, mobile and e-learning these practices encourage the faculty and student to improve teaching-learning.

2.3.9 How Library resources are used to augment the teaching-learning process?

Teaching faculty and students have free access to library resources to enhance the teaching-learning process.

2.3.10 Does the institution face any challenges in completing the curriculum within the planned time frame calendar? If ‘yes’, elaborate on the challenges encountered and the institutional approaches to overcome these.

It finds difficult to complete the syllabus within planned time because in bilingual teaching it takes more time to complete the syllabus. Number of teachers limited hence it is difficult to handle syllabus along with other administrative duties.

2.4 Teacher Quality

2.4.1 Provide the following details and elaborate on the strategies adopted by the college in planning and management (recruitment and retention) of its human resource (qualified and competent teachers) to meet the changing requirements of the curriculum.

Teachers are selected through University selection and Local selection. At present teachers under granted course are appointed through university selection having NET/SLET. One faculty is done ph.d. rest are registered for Ph. D. at different universities. Faculty under non-grant programme are appointed through Local selection. At present Teaching Staff: Full time- 8, CHB- 9 Total = 17 is available. Their educational qualifications are LL.M. 10, M.a. 07, M.Sc. 01, NET/SLET 06, Ph.D. 01, MBA 02, DBM 01 and 03 are registered for ph.d.

2.4.3 Provide details on staff development programme during the last four years. Elaborate on the strategies adopted by the institution in enhancing the teacher quality.
a) Nomination to staff development programmes
One faculty attended UGC 161st Orientation Programme at Human Resources Development Centre, Savitribai Phule University of Pune.

b) Faculty Training programmes organized by the institution to empower and enable the use of various tools and technology for improved teaching-learning
In this duration college have organized two faculty development programmes on different subjects.
One FDP on use of ICT in teaching-learning, another on Role of IQAC in NAAC.

2.4.4 What policies/systems are in place to recharge teachers? (eg: providing research grants, study leave, support for research and academic publications teaching experience in other national institutions and specialized programmes industrial engagement etc.)
Policy is framed by the parent institute for recharging teachers. Separate budgetary provisions are available for research and academic publications.

2.4.6 Has the institution introduced evaluation of teachers by the students and external Peers? If yes, how is the evaluation used for improving the quality of the teaching-learning process?
Students feedback is taken from time to time to improve the quality of the teaching-learning process. At Term-start meeting such issues are discussed and addressed. This year also the same is done in term-start meeting.

2.5 Evaluation Process and Reforms
2.5.1 How does the institution ensure that the stakeholders of the institution especially students and faculty are aware of the evaluation processes?
Students and staff are made aware about the evaluation process of university. University exam circulars are displayed and discussed among the student.

2.5.2 What are the major evaluation reforms of the university that the institution has adopted and what are the reforms initiated by the institution on its own?
This year the exam section of the university introduced certain changes in evaluation process. Instead of doing direct revaluation answer sheets are assessed by Grievance Committee. Staff members of this college worked as Members of Grievance Committee on Aug. 2016.
2.5.5 Detail on the significant improvements made in ensuring rigor and transparency in the internal assessment during the last four years and weightages assigned for the overall development of students (weightage for behavioral aspects, independent learning, communication skills etc.).

For maintaining transparency in the internal assessment the college has adopted some standard formats for the submission of internal term work, moot court submissions as well as internal evaluation is being made on the basis of overall performance of students during the academic year.

2.5.6 What are the graduates attributes specified by the college/affiliating university? How does the college ensure the attainment of these by the students?

Efficiency in presentation, good academic record, advocacy skills these are certain graduates attributes decided by the college. College is in constant effort to inculcate theses attributes among students. For this purpose college has adopted different teaching methodologies, emphasis on cross cutting issues, community involvement in programme these are some efforts made by the college for the attainment of these attributes.

2.5.7 What are the mechanisms for redressal of grievances with reference to evaluation both at the college and University level?

For redressing the grievances of students at college level we have here established certain committees and centres. We kept Suggestion Box for the students to submit their grievances and suggestions. Students share their grievances and problems, if any with the respective class mentor and the same is being addressed and solved by the principal.

For redressal of grievances regarding university, students submits their application with the principal regarding their problems with respect to examination, revaluation, result etc. and the same is being forwarded to the university authority. Principal and administrative staff deals with the issues and come with the solution.

2.6. Student performance and Learning Outcomes

2.6.1 Does the college have clearly stated learning outcomes? If ‘yes’, give details on how the students and staff are made aware of these?

College has stated its learning outcome in the form of vision, mission and goals. College is committed to make this institute a center of social transformation through legal education. Our students and staff are well aware about these.

College is engaged in organising different events, arranging academic schedule in order to fetch these learning outcomes.
2.6.2 Enumerate on how the institution monitors and communicates the progress and performance of students through the duration of the course/programme? Provide an analysis of the students’ results/achievements (Programme/course wise for last four years) and explain the differences if any and patterns of achievement across the programmes/courses offered.

We, at college convene parent-teacher meet, common meeting of students, promotes students to participate in indoor and outdoor activities and so on. By these ways we encourage the student to develop themselves. This progress has been communicated to their parent, displayed on website, displayed on notice board and honoured at annual prize distribution programme.

Class mentor monitors activity of student.

2.6.3 How are the teaching, learning and assessment strategies of the institution structured to facilitate the achievement of the intended learning outcomes?

Through academic calendar and teaching plan the teaching, learning and assessment strategies of the institution are structured.

2.6.4 What are the measures/initiatives taken up by the institution to enhance the social and economic relevance (student placements, entrepreneurship, innovation and research aptitude developed among students etc.) of the courses offered?

For maintaining social relevance of the course, college is arranging programmes on cross cutting issues, college has NSS unit.

For developing economic relevance students are asked to do visits under internship programme, to do juniorship/intern with senior advocates of bar, college has placement assistance cell.

2.6.5 How does the institution collect and analyze data on student performance and learning outcomes and use it for planning and overcoming barriers of learning?
