5. Dr. P. B. Chavate also brought to notice that, due to CET process of admission, first year of 5 and 3 yrs law courses gets delayed. It results in to strength of students not only that regular students run away from this gigantic and irrational process. We have to admit students allotted

by CET. students who appear for CET most of them are working & employed.

They are not interested in learning or attending college regularly. Their interest is in having degree of law.

This badly affect the quality, not only of teaching but of learning also. This has to be settled somewhere.

All members nodded to it, agree to the view but principal said that we are bound by government norms & procedure.
