Take away of the FDP

1. Instead of giving plain topics of assignment/seminar/essay – divide the topics among students or group of students and to conduct activity by applying different teaching methods like- Group discussion, Debate, Seminar, Role play etc.
For e.g. In jurisprudence- Topic- Meaning, Nature and Utility of jurisprudence; we can conduct Group discussion or seminar
E.g. on Evidence topic – we can conduct – Role-play ...
We just need to maintain the record of activities with geo-tag photos
2. Need to prepare Academic Calendar and Year Planner – to fix the activity-wise responsibility of each faculty. E.g. Extension activity (Legal Aid camp), Visits, Test by Google form etc.
3. Office order shall be given to the faculty who is appointed as coordinator of the programme and after submission of detailed report. Certificate of Appreciation shall be given to faculty.
4. Every teacher must publish Research Papers or shall participate in seminar conferences or act as Resource Person
5. One Field visit and one Study Tour shall be conducted in a year.
6. College administrative office shall keep separate file of original documents neatly scanned.
7. Research Orientation / Workshop shall be conducted for students.
8. Separate box file and Paper files shall be given to each teacher at the beginning of academic terms and asked to place the documents in concerned file only. In the end of term documents shall be segregated Criterion-wise.
9. Each faculty shall prepare ppts at least on five units of allotted subjects. This will enhance use of ICT/LMS.
10. Students shall be encouraged to enroll for Swayam courses.
11. Each subject teacher shall explain the Course (Subject) Outcome and Course Outcome to students.
12. Subject-wise feedback shall be collected by concerned teacher as per SSS format.
